2017 CONTRACT

The Charity Ball Association of San Antonio, Inc., distributed over $1,000,000 in 2016 to area nonprofit organizations that “support and enhance the quality of life for children of Bexar County” - the mission of our organization. We invite you to participate in the following fundraisers as we seek to increase support to the children in our community in 2017:

- **Community Contributions:** Be recognized as a Patron of The Charity Ball association by making a tax-deductible cash donation of at least $1,000.

- **The Rotogravure:** A glossy, 4-color 8”x11” magazine distributed throughout the community prior to the Chrysanthemum Ball on October 19, 2017.

- **The Datebook:** A beautifully hardbound book featuring professional photographs of community children, including the children of nonprofit organizations funded by The Charity Ball Association.

- **The Chrysanthemum Ball:** To be held on October 19, 2017.

- **Prize Tickets:** Prize tickets are sold in conjunction with the Chrysanthemum Ball. (Sold separately from this contract, they will be available online and from the membership after September 1, 2017: www.charityballassociation.org.)

One hundred percent (100%) of the funds received through Community Contributions benefit local nonprofit organizations through The Charity Ball Association’s rigorous grant application process. The net proceeds of the Rotogravure, the Datebook, the Chrysanthemum Ball, and the Prize Tickets are also distributed in the same process. Over $18 million in grants have been awarded to children’s nonprofit agencies since 1954.

If you have questions about completing this contract, please contact Fabiola Kaase at fabiola.kaase@icloud.com or 210.363.8056.

The deadline for all contracts (and Datebook photos) is June 15, 2017.
